

Cobb County School District
Mabry Middle School Council

Annual Meeting Schedule

All school council meetings will be held at the school unless otherwise stated. At least 24 hours in advance of each meeting, the council will post a meeting notice near the front door of the school. This notice will confirm the day, date, time and the meeting room location. Should a meeting be canceled or postponed, the council would post an appropriate notice in the same location. Visitors may attend the open session school council meetings to view proceedings and listen to the discussion. The council will publish its meeting minutes on the School Council bulletin board in the front hall.

Month	Day/Date/Time	Room Location
